Wider Achievement Survey – P3

Friday, 05 May 2017

Dear Parents and Carers,

Thank you for helping us collect the results of the wider achievement survey, we are amazed at the huge number of activities that the pupils do. Below is a list of the activities that pupils in P3 are currently doing:

- Football
- netball
- Anchor boys - brownies
- gardening
- swimming
- musical theatre
- jogging
- gymnastics - dancing
- judo

We have tried to gather as much information about these clubs as we can. This information is available in the Clubs and Activities Folder in the parent information area in the foyer of the school. It is also available in the Active Schools section on the school website. (<http://marketplace.aberdeenshire.sch.uk/>). Alternatively, the best way to gather information about these clubs is to speak to other parents of children in your child's class.

Thank you for your assistance with this survey.

Kind Regards  
David Shanks  
Depute Head Teacher
