

Inverurie Market Place Primary School Complaints and Compliments Guidance

At Inverurie Market Place Primary and Nursery School we are committed to delivering a quality service to all our users. We aim to take effective action to ensure standards are upheld and welcome being informed where they have not been satisfactory.

We believe a complaints procedure can contribute to the quality and effectiveness of the service. This guidance statement sets out a procedure for parents and carers to complain about any aspect of the service. Complaints should be made constructively and every effort will be made to resolve them at an early stage. It is in the best interests of parents, carers, children and staff that complaints are dealt with fairly and confidentially.

At Inverurie Market Place Primary and Nursery School we shall respond to the comments or complaints of all parties as promptly and positively as possible.

In the first instance the complainant should contact the member of staff for informal feedback. This may be all that is required to resolve the problem.

Persons making a complaint may be supported by a friend, relative or representative at different stages of the procedure.

If the problem remains unresolved, the complainant should contact the Head Teacher, Katie Budge, either by letter, telephone or in person. The Head teacher is not always immediately available, but the school administrator or clerical assistant will be happy to make an appointment at a suitable time.

The Head teacher will listen to the complaint and investigate the circumstances surrounding it. The Head Teacher will then report back to the complainant and try to resolve the problem.

If the complaint cannot be resolved at school level, the complainant or the Head Teacher may contact the Quality Improvement Officer.
