Inverurie Market Place Parent Council & Parent Forum

NEWS FOR TERM THREE...

You can find a copy of the minutes from the term 3 meeting on the school website. Here are some of the key issues we're working on:-

Road Safety

We attended the latest Inverurie Community Council meeting to put forward our case for improving road safety at the rail bridge crossing. As a result of that, the Community Council have sent a request to the police to monitor traffic speeds across the bridge, Councillor Vernal has talked to the new Head of Roads at the Council, the Parent Council are writing another letter to the Council's new Head of Roads, and hopefully you've seen the article in the Inverurie Advertiser headlining our campaign!

New School

Latest update from AC Project Manager Susan Cochrane:-

"Morrison Construction have been appointed as the main contractor. We anticipate starting on site in April, weather and ground dependent and are meeting with Malcolm Allen regularly to ensure that we will be able to start as scheduled They are making good progress with their works to form the new road. Completion is scheduled for Summer 2017, opening August 2017. Following the tender process, we were obliged to make some minor changes both to bring the cost into budget and to align the design with other new schools being built."

Volunteers please

Last year, the school and Parent Council, with the help of some volunteers, undertook after-school Bikeability (Cycling Proficiency) classes for around 45 children from P5-P7. This was hugely successful and will help to keep our children as safe as possible when out cycling. To enable us to do the same this year we would need some parents or carers, willing to give a little of their own time preferably just after school finishes during May. We're also wondering whether anyone would be willing to volunteer for the early evening instead and will gauge interest in this to see whether it would be viable or not. Anyone interested should contact Alex Doig at alex.doig@icloud.com

The term 4 meeting will take place on Thursday 12 May 2016 @ 6.30pm in Inverurie Market Place School. All Parents or Carers of school children are invited! If you wish to raise an issue before then, please make contact with one of the Parent Council members or use the gmail address below.
