

IMPS Breakfast Club

Dear parents, carers and pupils,

We've had a busy term so far at Breakfast Club with children taking part in seasonal and topical activities along with some rather cute Valentine's Day crafts! In addition, we've been working hard behind the scenes to get our staffing levels and fee structure right and here's an update.

Staff

We are thrilled to welcome Susan Mitchell and James Emslie to the Breakfast Club team who are both joining us as playworkers on a part time basis. Susan already works at Inverurie Out of School Club and James is a local guitar teacher so your children may already know them. They are a great addition and the children are already enjoying having them around.

Fees

After a recent review of our fee structure we are glad to announce that for the foreseeable future we are in a position to reduce our fees to:

- £5 for the first child
- £4 for subsequent children in a family

We have also waived the registration fee.

New to Breakfast Club?

If you would like to find out more about Breakfast Club or want to pop in to chat to our staff and see what we do, you are more than welcome! Either call or email us on 07936 530403 or impsbreakfastclub@gmail.com or press the Breakfast Club buzzer hanging from the external door to the left of the main entrance and pop in to say hi!

Our new school

Lastly, we recently had an exciting visit with the PTA to Midmill Primary School and it looks like the facilities are going to be perfect for Breakfast Club in the new Uryside Primary, with plenty of room for our equipment and a light airy space.

Next meeting...

We will post details of our next meeting on Facebook, so please watch this space; our AGM takes place in September where we will be looking for new parents to join the committee to take Breakfast Club on to an exciting next phase within our new school.
