

Inverurie Market Place Primary School School Uniform Update

We are desperately working with our school uniform provider to ensure the new Uryside school uniform will be available in August for children starting school.

We will keep you posted as to when sweatshirts and cardigans will be available from DFS Intersport Inverurie.

As we are in a period of transition children are welcome to wear either Market Place, Uryside or smart dress. Summer dresses are very practical and any colour is acceptable as we transition to the new the school.
